007

Headquarters August 7th, 1997

Hello 007,

Hope you have enjoyed your long holiday after having scatted around in Berlin. You probably needed it.

Your next assignment will be in New York City.

You are to depart from Kastrup Airport on Friday 31st of October, 13:25 AM.

However, before leaving, 007, you have to pay a deposit of 007.000,- Danish kroner. This amount is to secure coverage of travel expenses no longer covered by the Service.

This is the new policy of the Service ordered by Her Majesty the Queen herself as a consequence of the general cut downs on all public expenditures. The Service are no longer allowed to pay vouchers of Russian Caviar, Don Perignon and such.

The amount are to be deposited within 3 days.

If you cannot raise this kind of money with such a short notice you will instead be sent on a low-budget mission in Copenhagen on Saturday 25th of October.

Please make a note in the appropriate code in your secret calendar.
